Spring 2025

## By Creating Victories!

On March 2nd, the first large-scale tournament of this magnitude in the history of Vanadzor took place, bringing together various federations and clubs from across Armenia. The event commenced with a prayer, providing an opportunity to share our vision and values. Additionally, a priest from the Apostolic Church shared a message from the Gospel, expressing that he had never witnessed such a remarkable combination of sports and faith before.

## Our Lebanon Branch

On March 14, FightLife Lebanon and Shogun Bsalim united for a day of strength and growth. Students and instructors came together, not just to train, but to uplift one another through a true exchange of martial arts, teamwork, and mutual development. The energy was relentless, with sharp technical sparring and shared wisdom fueling the session. As iron sharpens iron, both teams pushed their limits, embodying a shared mission to rise together.

# A milestone visit to Vanadzor!

We had the honor of hosting officials from the Republic of Armenian Ministry of Sports, who were making their first official visit to a non-governmental sports facility. They were highly impressed by our achievements, as well as our commitment to patriotic and Christian values, and expressed their willingness to collaborate in the future.

## Our Tsaghkahovit Branch!

Recently, our team visited the village of Tsaghkahovit at the invitation of a Yezidi pastor who embraced Christianity 20 years ago. Tsaghkahovit is a village predominantly inhabited by Yezidis, who are not Christians, and elements of their belief system include aspects of Satanism.

In the village, there is a dedicated Armenian Christian coach who travels over 100 km three times a week to train the local children. Seeing that the children were practicing in extremely poor conditions, our team spared no effort in equipping the training facility with the necessary gear. From now on, this gym is officially part of our team!

## Please support us in prayer

- ... for the spiritual stability of our ministry team.
- ... for the financial stability of our overall ministry.
- ... for the spiritual leaders of our new branch, that they may remain steadfast despite persecution and continue preaching the Gospel among the Yezidis.
